Dear

AWWA Charity Golf 2010

The Asian Women's Welfare Association (AWWA) is a registered voluntary welfare organisation in Singapore. We are a full member of the National Council of Social Service and as an approved Institution of Public Character, we are authorised to receive tax-deductible donations in Singapore. We offer services for families, the elderly, children and young people with special needs since 1970.

40 years of empowering the Community is what Asian Women's Welfare Association (AWWA), a registered voluntary welfare organisation, has achieved for the past 40 years. To celebrate this happy occasion, we will be organising the **7th AWWA Charity Golf 2010** and would like to invite you in supporting our event and join us in the celebration!

The funds raised would go towards supporting **AWWA Centre for Caregivers (CFC)** in empowering caregivers and caregiving families of the disabled, elderly and chronically ill through the provision of information, emotional support and training programmes to enhance the quality of their lives and those of their families.

Today we have reached out to over 26,000 people in Singapore and have trained more than 800 caregivers and professionals who are looking after the caregivers and their recipients.

Going forward, AWWA CFC is actively looking into planning and developing creative and effective programmes and initiatives to help caregivers such as one-stop Caregivers' Portal, telephone training service and the Caregivers Education and Support Programme.
