Lighthouse Club (Singapore)

The Construction Industry Charity

Dear

14th July 2010

LIGHTHOUSE CLUB (SINGAPORE) CHARITY GOLF TOURNAMENT 2010

The Lighthouse Club is the Construction Industry Charity; established in the UK in 1956 we now have branches worldwide including a very active branch in Singapore.

The primary objective of our club is to promote fellowship amongst our members whilst raising funds to provide financial assistance to victims of accident or illness within the industry, or to their dependants where a fatal accident has occurred. In addition we assist students studying to join our industry who would be unable to continue their studies without our financial support.

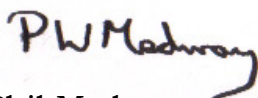

On Wednesday 6th October we will be holding our Charity Golf Tournament at Raffles Country Club - details of the tournament and entry forms are attached.

My purpose in writing to you is twofold, firstly to request you and Company colleagues to participate, and secondly to request your Company to become sponsors of this event.

A flier is attached showing the different levels of sponsorship. We have engaged Matthew Murray of Champions Golf to run the event; he will be designing a brochure to advertise the event, which will include details of all sponsors. In addition we are looking to offer a high quality collectors watch for a "Hole in One"

There is an old saying "Charity begins at Home" You can rest assured all funds raised from this event will go to those in need in the Construction Industry. I hope to hear from you soon!

Kind Regards

Phil Medway
