Dear Sirs,

**SINGAPORE GYMNASTICS FUND RAISING GOLF TOURNAMENT AND DINNER
on March 22nd 2010 at Orchid Country Club**

Singapore Gymnastics is the National Sport Association of gymnastics in Singapore. It is a registered Institute of Public Character (IPC No 000511).

2 All the office bearers of Singapore Gymnastics are volunteers and they give generously of their time and expertise free of charge. Singapore Gymnastics gets subsidy funding from the Singapore Sports Council but is expected to raise funds to fully run and administer its elite, developmental, and gymnastics for all programs.

3 Singapore Gymnastics will be holding its fund raising golf tournament and dinner to raise funds and we appeal to you to contribute generously. Your contribution will qualify for 250% tax exemption.

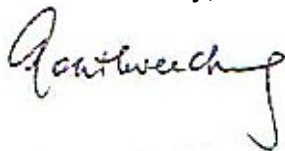

4 Attached are the details of the sponsorship scheme and registration form.

5 If you have friends who would be interested to play in the golf tournament or who wish to make cash donations or sponsor prizes for the tournament or dinner, please contact us.

6 Besides the golf tournament, we are also organizing a fund raising charity dinner for friends of gymnastics who are non-golfers. We have prepared interesting programs to share with you before the dinner and performance during the dinner. We hope you will also actively take part in our fund raising auction to be held during the dinner.

7 On behalf of the Organizing Committee, Singapore Gymnastics and its Gymnasts, we thank you in advance for your generous support.

Yours faithfully,

Goh Hwee Cheng
President, Singapore Gymnastics
Chair, Charity Organizing Committee
